Stress Cupcake

Relieve stress by squeezing this cupcake.

Less calories than eating a cupcake.

Made of soft foam rubber

This is perfect for folks who don't feel like dressing the part at Cosplay events, conventions, costume parties or just tooling around town. Plus, it keeps your head warm and protected from zombies, whose natural enemy is polyester.

20.00€

Domo-kun Plush

Sempre a pensar em si...

200.00€

It's an electric guitar that never needs tuning.

It's a full-fledged MIDI controller.

It's a synthesizer in guitar form.

It's a Rock Band controller.

It's totally portable.

You rock MIDI Electric Guitar

A toy, robot, and tool for learning all wrapped up in one package.

Create missions, program codes, and let your rover go.

The more your wee geek learns, the more Rover can do!

Comes with 10 missions, diagnostics test, on-board keypad and LCD screen, and measuring device.

Requires 3 C batteries

60.00€

Programmable Rover

Só para si...
